

Creating a sustainable future for business, society and the environment with the WBCSD

In June 2015, Rexel joined the WBCSD (World Business Council for Sustainable Development), a CEO-led organization of forward-thinking companies that galvanizes the global business community to create a sustainable future for business, society and the environment. WBCSD is emerging as the leading and most compelling sustainable development business voice with multilateral institutions such as the United Nations, World Bank, UNFCCC, as well as with global platforms like the UN Climate Summit and COP negotiations. In December 2015, Rexel will participate in the WBCSD Council Meeting in Paris, promoting energy efficiency solutions in buildings.
